GENERAL MESSAGES

Subs:

Without subscriptions we cannot pay for registration, insurance, resources and many other things which enable the group to operate. We use a quarterly system, asking for £20 per child every 3 months. The latest subscription payment date was March; if you haven't yet paid March subs please do so ASAP!

Records:

As part of a whole new system being trialled with Scouts we need to ask that you provide personal details and medical records etc. for your child again. In order to do this easily, we are asking that all parents come to Scouts on Tuesday 27th April prepared to give this information and sign the appropriate forms! Sorry for the inconvenience and thank you in advance.

Wanted:

Scouts welcome the help of enthusiastic and dedicated volunteers! Whether you want to come down and assist at weekly scout nights; volunteer for a position on the group's executive committee; or simply help at occasional events offering a spare pair of hands or some specialist expertise, your help is needed! Please speak to a leader for a CRB form (minimum requirement at no cost and only a small hassle to you!).

Contact us:

There are several ways in which you can find information about the group and we can get information to you. Please keep a check on the website, Facebook page and ensure we have your email address! There are many links from these places to find even more information about scouting and opportunities for your children!

If you have any questions about any of this information, please come and speak to Martin, Jonny, Austin or myself at a Scout meeting, or contact using the details below!

Yours in Scouting,

Joe Gallucci
